

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Michael Lewis Haas**
Docket No. **272083**
L.C. No. **04-000946-FC**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The delayed application for leave to appeal filed August 2, 2006, is DISMISSED for lack of jurisdiction because it was not filed within 12 months of the August 2004 judgment of sentence and neither exception found in MCR 7.205(F)(4) was satisfied. In particular, the second exception was not satisfied because the application was not filed within 42 days of the filing of the transcripts as required by MCR 7.205(F)(4)(c). This is not a Halbert case. This is your run of the mill case where the initial request for counsel was within a year and that request was granted. Furthermore, none of the cases decided by the Supreme Court involve a situation where the initial request for appellate counsel was within a year and that request was granted.
